

# A UNIQUE LEADERSHIP PROGRAM FOR MANAGERS AND DECISION MAKERS

## DEVELOP LEADERSHIP SKILLS THAT WILL DRIVE OUTSTANDING BUSINESS RESULTS

The Power of Leadership will help you find out more about yourself and your leadership style so you can become more effective in your workplace and in life.

## CHANGE YOUR THINKING

- Identify the drivers of your effectiveness at work.
- Understand how your thinking impacts on your effectiveness
- Discover the hallmarks of effective leaders
- Uncover your potential to be more constructive in working with others
- Learn how stress and physical fitness impact on your effectiveness

Effective leadership has a significant impact on safety performance, reducing risk and reducing total staff costs. Experience the power of leadership in this unique and challenging, high impact program designed to develop leadership skills that will drive outstanding results.

## THE CHALLENGE

This is no ordinary leadership workshop. You will be challenged to reflect on your effectiveness at work and your leadership style and will leave with practical, down-to-earth strategies to apply in your workplace.

TWO-DAY BEACHSIDE  
RESIDENTIAL PROGRAM  
14 - 15 AUGUST 2017  
SOMERS, VIC

## THE LIFE STYLES INVENTORY (LSI)

A key element of this program is your completion of the valuable Life Styles Inventory: an internationally acclaimed self development and feedback tool.

You will receive a free coaching session in your workplace following the program, to maximise your use of the LSI results.

## YOUR FACILITATOR

Simon Osborne has around 30 years experience in management, leadership and consulting in Australia and SE Asia. He is a highly experienced manager, facilitator and coach.
